# More Than a DMC A Local Team You Can Trust

Offices, people, and partners  
who care, wherever you go.

## Exceptional shorex & port services in Portugal and Spain

At Buzz DMC, we deliver high-quality Shorex and Port Services for both ocean or river cruises across Portugal and Spain.

With strong local teams and trusted partnerships, we ensure smooth operations, priority handling, and memorable guest experiences consistently ranking among the top performers in global quality evaluations with solid background of more than 15 years in the industry.

## Why Portugal & Spain for cruise operations

- Multiple ports cross the peninsula amongst some of the TOP chosen ones worldwide.
- Diverse excursion possibilities from every port of call.
- Rich cultural heritage and authentic local experiences.
- Modern port infrastructure and efficient ground logistics.
- Strong reputation for hospitality and safety.

## What we do best in shorex & port services

- Signature Shore Excursions**  
Curated tours in port cities and surrounding regions, tailored to cruise schedules.
- Full Turnaround Management**  
Embarkation/disembarkation coordination, baggage handling, and passenger flow optimisation.
- Pre- & Post-Cruise Programs**  
Tailored itineraries, transfers, and accommodation for extended stays.
- Premium Small-Group & Private Tours**  
Exclusive excursions with specialist guides and VIP services.
- Onboard & Pier-Side Enhancements**  
Cultural performances, tastings, and thematic welcomes/farewells.
- Experienced and trained land and back office teams**  
Worldwide recognized teams with more than 15 years of experience delivering services to top cruise lines in both Portugal or Spain.
